Congratulations students for a great semester of music making. I have been truly inspired by your continued hard work and steadfastness during this past challenging year. Well done!

A very special thank you to Arvin Berner for his outstanding work with the vocal students this semester. I am very fortunate to work with such a fine colleague.

Finally, congratulations once again to students Charles Farwell and Samuel Whitler as they graduate and transfer onto university this Fall to continue their studies in Music Education & Theater Arts. We wish you well in your future endeavors. You will be sorely missed!
